

**WRITING****WRITING TASK 1**

You should spend about 20 minutes on this task.

*The tables below give information about sales of Fairtrade\*-labelled coffee and bananas in 1999 and 2004 in five European countries.*

*Summarise the information by selecting and reporting the main features, and make comparisons where relevant.*

Write at least 150 words.

### Sales of Fairtrade-labelled coffee and bananas (1999 & 2004)

| <b>Coffee</b> | <b>1999<br/>(millions of euros)</b> | <b>2004<br/>(millions of euros)</b> |
|---------------|-------------------------------------|-------------------------------------|
| UK            | 1.5                                 | 20                                  |
| Switzerland   | 3                                   | 6                                   |
| Denmark       | 1.8                                 | 2                                   |
| Belgium       | 1                                   | 1.7                                 |
| Sweden        | 0.8                                 | 1                                   |

| <b>Bananas</b> | <b>1999<br/>(millions of euros)</b> | <b>2004<br/>(millions of euros)</b> |
|----------------|-------------------------------------|-------------------------------------|
| Switzerland    | 15                                  | 47                                  |
| UK             | 1                                   | 5.5                                 |
| Belgium        | 0.6                                 | 4                                   |
| Sweden         | 1.8                                 | 1                                   |
| Denmark        | 2                                   | 0.9                                 |

\* Fairtrade: a category of products for which farmers from developing countries have been paid an officially agreed fair price.

## WRITING TASK 2

You should spend about 40 minutes on this task.

Write about the following topic:

***Some people think that all university students should study whatever they like. Others believe that they should only be allowed to study subjects that will be useful in the future, such as those related to science and technology.***

***Discuss both these views and give your own opinion.***

Give reasons for your answer and include any relevant examples from your own knowledge or experience.

Write at least 250 words.
